Dear Diane:

I am submitting the final report for the PA Soybean Board for the Southeast Pennsylvania Crop Conferences, as part of the PA Soybean Board.

I had submitted a mid-term report shortly after that meeting in January with an evaluation and report of attendance.

We met with our retail industry partners (TIMAC USA, FS Growmark and Crop Production Services) in March and are planning for the 2013 meetings the end of July. We have plans for a summer twilight meeting on August 21, which is our custom to provide a summer meeting for growers. Sponsors such as the PA Soybean Board, will be recognized.

Thank you very much for helping to fund the Penn State Crops Conferences throughout the state. Please send the check to the following address:
